General Data Protection Regulations (GDPR)

GDPR requires organisations to have consent to hold and process personal data. If you agree consent, then **Melksham Tennis Club** will store your personal data for the purposes of you being a member of **Melksham Tennis Club** for a 36-month period. The data is stored on the Secretary's PC (protected by McAfee and with strong passwords). The data will be shared with no one else and any e-mails sent to more than one member will use blind copy. You may at any time request that the Club no longer contacts you again and your data will be removed.

Please indicate whether you accept or decline consent.
